JUDICIAL RESPONSE

Form J-02.052024

(due within 7 calendar days from Respondent's receipt of Complaint)

Submitted to:

Chapter Judicial Committee: _____

Cluster Adjudicatory Board: _____

Global Judicial Chamber

Case No. -
Year Sequence

Received by: _____ Date: _____

Complainant(s),

- versus -

Bro. Hector Concepcion

& The Empire State Triskelions, et al.

Respondent(s)

Answer

1) Respondent(s)

- Admits the allegation regarding the identity and other information of the parties, but qualifies the following (optional):

- Denies the allegation regarding the identity and other information of the parties, on account of the following:

Allegations that Bro. Hector Concepcion took control and ownership of the NY Triskelion Facebook web page.

(If the space is insufficient, please use another sheet as Page No. 2)

2) Respondent(s)

Denies the allegation regarding the incident(s) and other circumstances.

3) The facts are as follows:

I, Hector Concepcion, created that Facebook page and owns the domain name www.nytriskelion.com, which I obtained at the same time. I have both since I was the first Info Comm officer and served until March 2023. I told the new set of officers that I was stepping down because I wanted a break and to focus on helping Global.

I also want to point out that this page has been attached to my account since I created it. It's also that same page on which the complainants are in violation of the NYT bylaws: Annex A and Annex B. The same page was also used to ruin one brother's life because of their personal grudge against the brother.

They demand that I remove myself, but if they are the owners, how come they cannot remove me or request that I remove myself from the Page's settings? Annex C

Their complaint wouldn't exist if the current NYT officers granted my demands on my complaint filed in August 2023 that they step down from office due to the gross violation of the TCoC and the NYT bylaws. Their violations will be turning a year old this June 16 and have not been heard yet. It's preposterous that their complaint be heard first before our complaint.

4) In support of the above-mentioned facts, I/we proffer into evidence the following:

ANNEX	Description of Document	Purpose of the Proffered Document
(a)	<u>Annex A & B Uncompliant use of LOL seal in lieu of Official NYT Seal</u>	
(b)	<u>Annex "C" Facebook Controls and Administration</u>	
(c)	_____	_____
(d)	_____	_____
(e)	_____	_____
(f)	_____	_____
(g)	_____	_____
(h)	_____	_____
(i)	_____	_____

5) The Complaint should be dismissed based on the ground(s) as follows:
(cite the factual and/or legal basis)

The New York Triskelion's Facebook Page, a platform for public viewing and information dissemination, was created under Bro. Hector Concepcion's personal email during his tenure at InfoCom. The page serves as a web archive of photos and a source of announcements. These announcements play a crucial role in keeping the public informed about unauthorized and unverified claims, as well as defamatory and malicious statements against any Brother or sister.

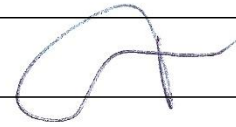

Imagine someone asking you if they can build their house on your property, vandalizing it, and even attempting to evict you as the landlord. Now, picture the landlord reclaiming control over his property. This is a similar situation we are addressing with the New York Triskelion's Facebook Page.

IN WITNESS WHEREOF, I/we have hereunto set my/our hand(s) this
8th day of June, 2024.
